

**ZONING ADMINISTRATOR**  
**NOTICE OF DECISION**

**Date:** April 11, 2017  
**Applicant:** HomeFed Brookfield Otay, LLC  
**Case No.:** CUP16-0053  
**Address:** Otay Ranch Village 3, R-3  
Prado Model Homes & Sales Office  
1012 Camino Prado  
**Project Manager:** Janice Kluth

Notice is hereby given that on April 11, 2017, the Zoning Administrator considered Conditional Use Permit (CUP) application CUP16-0053, filed by HomeFed Brookfield Otay, LLC ("Applicant"). The Applicant requests a CUP to establish three model homes and a temporary sales office ("Project"). The sales office for Prado is located at 1012 Camino Prado ("Project Site") and owned by HomeFed Brookfield Otay, LLC ("Property Owner"). The Project Site is zoned Single Family 4 (SF-4) with a General Plan designation of Residential Medium (RM). The Project is more specifically described as follows:

The Project includes three model home plans, one temporary sales office within the finished garage of the Plan 2 model home for the Prado development, an ADA accessible restroom, and a parking lot within the Otay Ranch Village 3's Neighborhood R-3. The Project also includes several temporary signs for the sales office and model homes and an accessible route between the sales office and the parking lot.

Planning Staff has reviewed the proposed project for compliance with the California Environmental Quality Act (CEQA) and has determined that the project was adequately covered in previously adopted University Villages Final EIR (FEIR-13-01). No further environmental review or documentation is required.

The Zoning Administrator, under the provisions of Section 19.14.030.A of the Chula Vista Municipal Code and the Otay Ranch SPA plan, has been able to make the Conditional Use Permit findings as required by CVMC Section 19.14.080:

1. **That the proposed use at this location is necessary or desirable to provide a service or facility which will contribute to the general well being of the neighborhood or community.**

The temporary model home complex is desirable due to its proximity to Heritage Road. The model home complex will allow the Applicant to provide sales information to the general public regarding new homes for the Otay Ranch Planned Community.

2. **That such use will not, under the circumstances of the particular case, be detrimental to the health, safety or general welfare of persons residing or working in the vicinity or injurious to property or improvements in the vicinity.**

The Project is conditioned to require the Applicant to post a bond in the amount determined by the Zoning Administrator to be adequate to insure that the temporary sales office, restroom facility, and parking lot shall be removed at the completion of sale of all homes. The model home complex will not be detrimental to the public health, safety or general welfare in that it will provide sufficient on-street parking, and handicapped accessibility.

3. **That the use will comply with the regulations and conditions specified in the code for such use.**

The conditional approval requires continuing compliance with all conditions, codes and regulations, as applicable, prior to the final issuance of any permit or occupancy of any facility on the site for the proposed Project. The conditions of this permit are approximately in proportion to the nature and extent of the impact created by the use in that the conditions imposed are directly related to, and of a nature and scope related to the size and impact of the use.

4. **That the granting of the Conditional Use Permit will not adversely affect the General Plan of the City or the adopted plan of any governmental agency.**

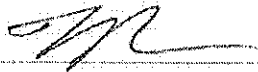

The General Plan does not specifically address temporary type uses. The granting of this Conditional Use Permit is in compliance with the Village 3 SPA Plan's Planned Community District Regulations, Section X.B, which states that temporary uses are subject to administrative approval by the Zoning Administrator, and specifically lists subdivision sales offices, model home complexes, and signage.

**BASED ON THE FINDINGS ABOVE, THE ZONING ADMINISTRATOR hereby approves Conditional Use Permit CUP16-0053 as described above subject to the following conditions of approval:**

The Applicant/Representative and Property Owner's compliance with this provision is an express condition of this Conditional Use Permit and shall be binding on any and all of Applicant/Operator's successors and assigns.
13. Any violations of the terms and conditions of this permit may result in the imposition of civil or criminal penalties and/or the revocation or modification of this permit.

14. If any of the foregoing conditions fail to occur, or if they are, by their terms, to be implemented and maintained over time, if any of such conditions fail to be so implemented and maintained according to their terms, the City shall have the right to revoke or modify all approvals herein granted, deny, or further condition issuance of all future building permits, deny, revoke, or further condition all Certificates of Occupancy issued under the authority of approvals herein granted, institute and prosecute litigation to compel their compliance with said conditions or seek damages for their violation. Applicant or a successor in interest gains no vested rights by the City's approval of this Conditional Use Permit.

APPROVED BY ZONING ADMINISTRATOR OF THE CITY OF CHULA VISTA,  
CALIFORNIA, this 11th day of April 2017.
